Reliable Comfort Plus Exc

Setting Standards Since 1904

For more than a century, homeowners have associated Bryant® heating products with the highest standards of indoor comfort. Through the commitment and dedication of our product development and manufacturing teams, we have consistently met every new challenge head-on and delivered the products to meet or exceed expectations. Today, as rising energy costs and increased environmental awareness influence consumer thinking, Bryant proudly offers an exceptional value for high-efficiency savings and comfort – the Legacy™ 95s gas furnace.

The Bryant Legacy 95s provides reliable, lasting relief from winter's biting chill. And, it saves significantly on heating costs with exceptional energy efficiency of 95.5% AFUE. Designed, built and backed by the most trusted name in the business, and installed by your trusted and professional Bryant dealer, the Legacy 95s provides the soothing, winter comfort you and your family deserve.

Not Your Average Furnace

Bryant's Legacy 95s keeps your home warm and comfortable while going above and beyond the efficiency of your typical furnace. While standard furnaces feature one heat exchanger and the ability to achieve industry minimum AFUE efficiency, the Legacy 95s goes one step further. Bryant's secondary heat exchanger helps transfer more of the available heat into your home for money savings, energy efficiency and comfort.

In addition, Bryant's Legacy 95s delivers the peace of mind that comes with choosing a system designed, built and backed by a company committed to customer satisfaction. From initial design through product testing and an assembly process that includes thorough reliability testing procedures, we go beyond the industry's expectations for quality to be sure that every unit we make measures up to even tougher standards – yours.

Exceptional Energy Savings.

Peace of Mind

Having a great warranty helps you enjoy your comfort with confidence. Bryant builds trusted reliability into every product, then provides additional peace of mind with excellent warranty protection.

To the original owner, the Bryant® Legacy™ 95s model 915S gas furnace is covered by a 10-year parts and a lifetime heat exchanger limited warranty upon timely registration of your new equipment.* Ask your Bryant dealer about optional labor warranties.

*Warranty period is 5-years on parts and 20-years on heat exchangers if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will automatically receive a 10-year parts limited warranty and a lifetime parts warranty on the heat exchangers. See warranty certificate at bryant.com for complete details and restrictions.

Performance

Performance and Peace of Mind

When it comes to performance, Bryant® pays attention to the details that make a difference. Steel cabinet construction, insulation and induced draft operation contribute to quiet operation.

In addition, Bryant delivers peace of mind backed by a commitment to customer satisfaction. From initial design through prototype testing and thorough reliability assessments during assembly, we go beyond the industry's expectations for quality. Designed, built and backed by the most trusted name in the business, and installed by your trusted and professional Bryant dealer, the Legacy 95s delivers the comfort, value and savings you deserve.

Efficient Control

Bryant offers a complete line of easy-to-use thermostats that can help you control your indoor comfort system. Include our patented Legacy™ Line programmable thermostat with your Legacy 95s gas furnace and air conditioner or heat pump and you can enjoy consistent, money-saving comfort control all year long with the convenience of programmable comfort schedules.
